

**Prepared for**      **Tweed Sea Sports**  
**Departing:**        **Friday, 02 July 2027**  
**Destination:**      **Philippines-Dumaguete**

**\*\* IMPORTANT TRAVEL INFORMATION \*\***

**ENTRY AND TRAVEL REQUIREMENTS FOR PHILIPPINES (as at 08 May 2025 and subject to change - check for the most up-to-date requirements prior to travel)**

For entry and travel requirements information, please visit:

<https://dfa.gov.ph/list-of-countries-for-21-day-visa>

<https://www.smartraveller.gov.au/destinations/asia/philippines>

Foreign nationals from visa-free countries who are traveling to the Philippines for business and tourism purposes are allowed to enter the Philippines without visas for a stay not exceeding thirty (30) days, provided they hold valid tickets for their return journey to port of origin or next port of destination and their passports valid for a period of at least six (6) months beyond the contemplated period of stay.

**PRE-DEPARTURE REQUIREMENTS:**

It is mandatory to register your traveller information at <https://etravel.gov.ph/> within 72 hours prior to arrival from port of embarkation to get a QR Code.

As of 08 January 2024, the Philippines Bureau of Customs' Baggage Declaration Form and the Currency Declaration Form are now integrated into the E-Travel System, along with the Bureau of Quarantine's Health Declaration Form and the Bureau of Immigration's Departure and Arrival Cards.

Take a screenshot or download your personal QR Code before closing or exiting the **eTravel** website or application AND/OR print your QR code. You will be required to show this QR code to an airline representative before being allowed to board your flight. Upon arrival in the Philippines, you must present this QR code or barcode to the BOQ Quarantine officers for verification.

**PRIOR TO DEPARTURE FROM THE PHILIPPINES**

Only departing Filipino passengers are required to register their departure via the online Electronic Travel Declaration at <https://etravel.gov.ph/> within 72 hours (and up to 3 hours) prior to departure from the Philippines to get a QR Code to present to the airline at check-in prior to boarding.

**PACKING NOTES:**

\* **Scuba equipment** has been included on the **Prohibited Items List of Blunt Instruments** by the Philippines Office for Transportation Security and **should only be packed in your checked baggage for flights originating in the Philippines**. We advise that all guests carry all dive related equipment in their checked luggage rather than their carry-on.

\* As of March 2025, the Civil Aviation Authority of the Philippines or CAAP has banned all **power banks** exceeding 160 watt-hours for both international and domestic flights. Power banks with a capacity of up to 100Wh (max. 20 pieces) may be brought on-board without prior approval, while those in-between 101Wh to 160Wh will require the airline's approval at check in (max. 2 pieces).

To determine the watt-hour rating of your power bank:

$Wh = (mAh \times Voltage) / 1000$

(eg. A 20,000mAh power bank at 5V is 100Wh)

Carry power banks onboard with you at your seat. They should not be placed in checked bags or in the overhead storage bins.

Pack each power bank individually to avoid short circuits. Tape overexposed terminals or place each battery in

the original retail packaging, separate plastic bag or protective pouch. Charging of power banks during the flight is strictly prohibited.

## Friday, 02 July 2027

### \*\* TRAVEL PROCEDURES \*\*

Please note that check-in for International flights is 3 hours prior to departure and for domestic flights 2 hours prior to departure.

Reconfirmation of your flight time 24 - 48 hours prior to departure with the airlines is critical to ensure there are no last minute schedule changes before departure.

Please check your passport for a minimum of 6 months validity from intended date of return and that two blank pages are available.

\*\*\* Dive Adventures strongly recommends travel insurance \*\*\*
