Dumaguete – Philippines

SALAYA BEACH HOUSES

Special Group Departure

The Republic of the Philippines lies off the south-east coast of the Asian mainland. It is an archipelago of 7,107 islands and islets. With so many islands, the Philippines have a huge range of opportunities for diving and snorkelling. The marine sanctuaries lining the Dauin coastline house some of the world's rarest critters. Whether you are a novice or experienced diver, you will be sure to find some new and exciting species here.

Invertebrates from the tiniest transparent shrimp and neon-coloured nudibranchs to huge basket sponges, anemones, sea cucumbers, starfish and worms reside with vast numbers of hard and soft corals and gorgonian sea fans. Turtles, octopus, cuttlefish, manta rays, eagle rays and sharks make guest appearances.

Apo Island is a short boat ride away from Dauin. A jewel in the Philippine Sea, this small island has been a marine protected area since 1982. It is a scuba diver's heaven, its walls and reefs densely covered with an incredible variety of hard and soft corals are home to all kinds of marine life in amazing numbers.

On this tour you will have the option of visiting the world famous location (Oslob) to visit renowned the whale sharks. Divers and snorkelers have the chance to get a close up experience with these gentle giants. Up to 10 whale sharks daily can be spotted in just a small area. This is an experience not to missed ! Throughout your holiday, relax and spoil yourself at Salaya Beach Houses. Your accommodation is set amongst luscious tropical gardens. Step out from your ocean view suite into landscaped gardens and take in the spectacular views of the sea and distant islands. We're sure you'll enjoy your private patio, spacious living area, and bedroom before venturing out into your private garden and outdoor shower. Salaya transcends the average beach resort and offers a one-of-a-kind experience in the heart of the Coral Triangle for just 26 guests.

Salaya Beach Houses is ideally positioned along the Dumaguete coast to give you access to a huge variety of diving experiences.
